ALSO AVAILABLE FOR TENTING HEATING - COOLING - SIDEWALL - LIGHTING - PORTA FLOOR

HIGH PEAK FRAME TENT - Our frame tents are professionally installed and completely free standing. The high swooping peaks and tensioned fabric appearance make these a favorite for most any outdoor event. This type of tent is most versatile and can be set-up practically anywhere.

SIZES AVAILABLE: 10x10, 10x20, 15x15, 15x30, 20x20, 20x30, 20x40

CANOPIES (Customer set-up)
A canopy provides protection from sun and light rain showers at a more affordable cost than a tent. Canopies must be set up on grass because they do not have a frame structure and are supported by legs, center poles, and ropes.

SIZES AVAILABLE: 15x15, 20x20, 20x30
(SIDEWALL NOT AVAILABLE FOR CANOPIES)
